

Workshop #3 Creating presentations with the iPad

Teaching with Technology [TWT] Workshop Series

Description

The iPad has become a mobile office. You can use a wide variety of apps for teaching, learning and producing learning materials or lectures as well as controlling presentations. Doceri and Explain Everything are apps that can help you “flip the classroom” and use your time in class more efficiently and effectively.

Learning Objectives

This hands-on workshop will introduce you to two apps - Doceri and Explain Everything for creating narrated instructional videos on your iPad. At the end of this workshop participants will be able to: Compose, record, and post a lecture created in Doceri and Explain Everything.

Device/App Requirements

Participants must bring an iPad, 2nd generation or newer, to participate in this workshop. Before the workshop, please :

- ⇒ Download [Doceri](https://itunes.apple.com/us/app/doceri-interactive-whiteboard/id412443803?mt=8) (free) (<https://itunes.apple.com/us/app/doceri-interactive-whiteboard/id412443803?mt=8>); and
- ⇒ Download [Explain Everything](https://itunes.apple.com/us/app/explain-everything/id431493086?mt=8) (app is \$2.99) (<https://itunes.apple.com/us/app/explain-everything/id431493086?mt=8>); and
